

West Lothian Chamber of Commerce

Environmental Membership

The Chamber are proud to offer a 12- Month Environmental membership package which has been specifically tailored for our members interested in their environmental foot print and eco-friendly approach to doing business. The Environmental membership includes the classic membership package.

What is included?

Membership

- Inclusive 12-month Environmental Package Membership
- Inclusive 12-month Classic membership

Bright Green Business Network

With your Chamber membership you will have access to the national Bright Green Business Network(BGBN) as well as access to the Chamber Network.

Environmental Resources

Advice and information will be provided on environmental topics. Topics of interest would be recycling, waste and energy efficiency.

Bespoke Event Opportunities

The environmental membership will provide members with many opportunities to attend events at a discounted price focussing on key environmental topics for business. These events will include:

- 'Green Clinics' focussing on specific and relevant environmental topics for business;
- Workshops focussing on environmental legislation and funding streams available for business;
- Key informative events across the year.

Promotional Opportunities

Throughout your membership, you will have access to a variety of digital platform.

- Newsletter coverage opportunity with the Chamber and our partner BGBN (Reach 2100+)
- Social media platforms via the Chamber and our partner BGBN (Reach 2100+)

Members will have access to Scotland and UK wide representation.

● **Environmental Law and Newsletter Updates**

Scottish legislation updates will be sent monthly via email which will benefit businesses who integrate 'Green' practices into their day to day activities and give them an advantage within the business environment.

An advantage for Legal Register for Environmental Management Systems e.g. BS8555

● **Member Feedback**

A regular survey will be sent out to get member input regarding the club's benefits, events and informational resources.

● **Access to Environmental Organisations**

There will be the opportunity to gain access to organisations that focus on environmental activities which will help companies share their environmental good practices and learn from others.

● **Member Interaction**

Members will have the opportunity to present at an event or host a site visit where applicable.
