

West Lothian Chamber of Commerce

International Membership

The Chamber are proud to offer a 12- Month International membership package which has been specifically tailored for our members interested in international trade and markets. The international membership includes the classic membership package.

What is included?

● Membership

- Inclusive 12-month International Package Membership
- Inclusive 12-month Classic membership

● International Trade Resources

Providing expert knowledge and support for businesses looking to grow and reach new market while keeping businesses up to date with the latest international trade news.

● Training and Advice

Expert 'training and development sessions', built to focus on specific exporting needs for businesses while offering bespoke advice for individual businesses.

● Bespoke legal updates

Legal updates will be provided to ensure businesses are equipped to tackle exporting and international trade while ensuring regulations are adhered to.

● Bespoke events

From training events, to awareness evenings and country specific information sessions, there is a whole host of local events which we can offer our International Club members. Members will also have access to our partners events.

● Case Studies

A variety of case studies will be provided to showcase the different approaches and experiences businesses have had relating to international trade.

● Links to overseas Chambers and organisations

Whether it's London, Ireland or an ambitious move to China, the opportunities are endless for businesses who are looking to build connections across the world. With a Memorandum of Understanding with South Dublin Chamber, we are creating potential opportunities for businesses.

Monthly International Focussed Newsletter

A dedicated and monthly e-newsletter providing exclusive updates and key information on international trade.

Referral Services

Signposting services to key partners and Chambers for further information and services such as documentation, country specific market research and global exporting events.

Global Connections

Building global connections with access to inward and outward trade missions for specific markets while creating 'Memorandum of Understandings' with international Chambers including:

- South Dublin Chamber

Bespoke Service

By working closely with Chambers across Scotland and the globe, West Lothian Chamber can ensure a tailored service is provided, specific to individual business needs.

Collaboration

We are working in close collaboration with large organisations including Scottish Development International, Scottish Enterprise and West Lothian Business Gateway to ensure the best possible support is available for all West Lothian based businesses who are looking to trade internationally.

As well as large organisations, this club will provide business links within the private sector to provide businesses with case studies, discounted services and advice on the practical aspects of doing business in certain countries.
